HELPING THE HOMELESS

THE MOST EFFECTIVE WAY TO HELP HOMELESS PERSONS EXIT LIFE ON THE STREETS IS TO SUPPORT LOCAL AGENCIES THAT PROVIDE HOUSING AND SERVICES TO ASSIST HOMELESS PERSONS TO REBUILD THEIR LIVES.

IF YOU WANT TO HELP, CONSIDER:

Donating directly to local agencies working to resolve homelessness. A list of agencies can be found at the Pasadena Housing & Homeless Network website, www.phhn.org.

Volunteer with an agency providing services to the homeless. For more

information, go to the Pasadena Housing & Homeless Network website, www.phhn.org.

Although we encourage you not to give money to homeless persons, we do encourage you to give respect. Acknowledging people (within your comfort level) can provide a helpful human connection.

HOMELESS OUTREACH:

If you are concerned about the well-being of a homeless person and would like to have an outreach team make contact with them, please call Passageways at (626) 403-4888.

For crisis situations involving homeless individuals:

The Pasadena Police Department and the Los Angeles County Department of Mental Health operate three Homeless Outreach and Psychiatric Evaluation (HOPE) teams. HOPE teams respond to calls that are homeless or mental health related and find appropriate resolution/placement.

The HOPE Team on duty may be reached through Pasadena Police dispatch at (626) 744-4241.

If you encounter an emergency situation involving a homeless person, or any other emergency life or safety situation, please dial 911.

Bad Weather Shelter for Homeless Persons:
